Seminars Explained

Roundtable and prayer for educators - an opportunity for people involved in education at Avenue to meet together and encourage one another through discussion and prayer.

Being a sending church: An evening with the Wallis and Harrison families – Come along to hear more of the vision for the Wallis and Harrison families to serve overseas and pray for them.

Honouring your parents as an adult – What does it mean for believers to honour and love their parents as both we and our parents grow older?

Jesus in context - An exploration of some key aspects of the social and political contexts of the life of Jesus, which can help us to understand more clearly his mission and message.

Finding the right hills to die on - When should doctrine divide, and when should unity prevail? "There is no doctrine a fundamentalist won't fight over, and no doctrine a liberal will fight over" so how do we find a wise middle ground?
